

AUTHORIZATION
Provision of Authorized Telecommunications Networks and Services
to Qualifying Persons in the State of Qatar

Telecommunications Law 34 of 2006

RA-ECLI/A01-11 06 2013
11 June 2013

This **Authorization** is issued pursuant to Article 4(1) of the Telecommunications Law 34 Of 2006.

QNBN is licensed under the Telecommunications Law 34 of 2006 to provide passive fixed telecommunications networks and services (**Authorized Networks and Services**) to Qualifying Persons in the State of Qatar.

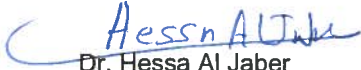

In accordance with QNBN's license, a Qualifying Person includes holders of Public Fixed and Mobile Telecommunications Licensees and other entities that may be authorized by ictQATAR, from time to time.

A list of entities authorized by ictQATAR is attached at Annex A.

This Authorization may be amended from to time by ictQATAR with reasonable notice to QNBN.

For the avoidance of doubt, the provision of Authorized Networks and Services to a Qualifying Person is subject to the terms and conditions of the Passive Fixed Telecommunications Networks and Services License issued by ictQATAR to QNBN on 22 July 2012 and any subsequent amendments.

There is no fee for this authorization.

Dr. Hessa Al Jaber
Secretary General

Supreme Council for Information and Communication Technology

Annex A

RA-ECLI/A01-11 06 2013

List of entities authorized by ictQATAR

Dated, 11 June 2013

	Entity
1	Any Entity operating in accordance with the Class License to Own and/or Operate a Private Network issued by ictQATAR on 10 July 2011 and any subsequent amendments.
